1. Returns Eligibility

At **Star Gallery Mart**, we are dedicated to providing high-quality products and exceptional customer service. However, we understand that there may be instances where a product does not meet your expectations or arrives with an issue. To facilitate a smooth return or exchange process, we have outlined the conditions and requirements for eligible returns below.

A. Immediate Inspection (Within 24 Hours of Delivery):

To ensure fairness and prompt resolution, customers are required to thoroughly inspect all items immediately upon delivery. This initial inspection period is critical for identifying any discrepancies, defects, or missing components.

Conditions for Immediate Returns or Exchanges:

- **Timeframe:** Any missing parts, damage, or defects must be reported within **24 hours** of receiving the item.
- **Free Exchange or Replacement:**
    - If the issue is reported within the 24-hour window, the product will qualify for a free exchange or replacement at no additional cost.
    - In cases where the same product is unavailable, store credit or a refund will be provided based on the original purchase value.
- **Late Claims (After 24 Hours):**
    - Reports made after the 24-hour period will not qualify for free exchanges or replacements.
    - Standard return procedures will apply, and shipping or restocking fees may be incurred.

Important Notes:

- Photographic evidence of damage or defects may be required to process the claim.
- Claims that fail to meet the 24-hour deadline may be ineligible for immediate replacement but could qualify for returns under the standard 3-day policy.

B. Generic Items:

For generic or non-branded items, we offer a flexible return policy designed to provide customers with peace of mind and convenience.

Conditions for Generic Item Returns:

- **Return Window:** Generic items can be returned or exchanged within **3 days** from the date of delivery.
- **Product Condition:** Items must be:
    - Unused and in their original condition.
    - Packaged with all original accessories, tags, and components.
    - Accompanied by the original receipt or invoice.
- **Exclusions:**
    - After the **3-days window**, returns and exchanges will no longer be accepted unless the product is found to be defective.

C. Branded Items (Warranty Coverage):

For branded items that are accompanied by manufacturer warranties, Star Gallery Mart offers extended return and exchange options to reflect the durability and long-term value of these products.

Conditions for Branded Items:

- **Return Window:** Branded products can be returned within the warranty period, typically ranging from 1 to 3 years depending on the manufacturer and product type.

- **Warranty Coverage:** If the item experiences technical issues or defects during the warranty period, it may qualify for repair, replacement, or return as outlined by the manufacturer's warranty terms.
- **Partial Returns for Missing Components:**
    - If branded items are returned but missing components (e.g. accessories, cables, or user manuals), replacements or exchanges will proceed without these components.
    - Return charges may apply to cover the cost of processing the incomplete return.

Examples of Branded Items Under Warranty:

- Mobile phones, tablets, laptops.
- Kitchen appliances from recognized brands.
- Gaming consoles and accessories.
- Home security and networking devices.

    - **Credit/Debit Cards** (Visa, Mastercard, etc.).
    - **Digital Wallets** (Google Pay, Apple Pay, etc.).
    - **Online Payment Gateways** (Stripe or similar services).

- **Cash on Delivery (COD) Purchases:**
    - For orders paid through **Cash on Delivery (COD)**, refunds will be provided through one of the following options, based on the customer's preference:

        - **Store Credit:** Refunds can be issued as store credit, which can be applied to future purchases.
- **Partial Refunds:**
    - In cases where a partial return is made (e.g., part of a product bundle), the refund will reflect the value of the returned item only.
    - If items are returned in damaged or incomplete condition, a partial refund may apply based on the assessment of the returned product.
    - Ensure the item is properly packed when returning it to us. Any damage that occurs due to inadequate packaging will result in a deduction from the refunded amount.

- **Standard Refund Timeline:**

    - The processing time may vary depending on the payment processor or financial institution.

- Refunds will not be issued for items that are deemed non-returnable (as listed in our Non-Returnable Items section).

5. Return Shipping Costs

At **Star Gallery Mart**, we strive to make the return process as convenient as possible for our customers. Our return shipping policy differentiates between issues reported immediately upon

receipt and standard returns initiated later. Below is a detailed breakdown of return shipping costs and responsibilities.

A. Free Returns (Reported Within 24 Hours):

- **Eligibility:**
  - If the return is initiated due to missing items, defects, or damage that is reported within 24 hours of delivery, Star Gallery Mart will cover the full cost of return shipping.
- **Return Process:**
  - Upon approval of the return request, a prepaid return shipping label will be provided. Customers can use this label to send the item back at no additional cost.
- **Scope:**
  - This policy applies to all products.
  - Items returned using the prepaid label must be in their original packaging and include all components.

B. Customer Responsibility (After 24 Hours):

If the return request is initiated after the 24-hour inspection window, return shipping costs will typically fall on the customer, subject to the following conditions:

- **Generic Items (Under 100 AED):**
  - Customers returning generic or non-branded items valued at less than 100 AED within the 7-day return period must cover the shipping expenses.
  - After 7 days, returns or exchanges will no longer be accepted, and return shipping will no longer apply.
- **Branded Items (1 to 3-Year Warranty):**
  - For branded items returned within the warranty period of 1 to 3 years, the return shipping costs will be the responsibility of the customer if:

        - The product is missing components (e.g., cables, chargers, packaging).
        - The return is initiated for reasons unrelated to manufacturing defects.

Important Notes:

- **Partial Refunds or Exchanges:**
    - If the return is accepted but the item is incomplete or shows signs of use, the refund may reflect partial value, and return shipping may not be reimbursed.
- **Oversized or Fragile Items:**
    - For large appliances, fragile products, or high-value electronics, special return arrangements may apply. Return shipping costs in such cases will be discussed with the customer at the time of the return request.
- **International Returns:**
    - Return shipping costs for international orders will be the responsibility of the customer, except in cases of manufacturer defects or order fulfillment errors reported within 24 hours.

6. Refund Processing Timelines

At Star Gallery Mart, we are committed to processing refunds promptly to ensure customer satisfaction and transparency. The timeline for refunds depends on various factors, including the type of payment method used and the condition of the returned item.

A. Standard Refund Timeline:

- **Processing Period:**
  Refunds are typically processed within **3 to 7 business days** from the date the returned item is:
    - Received at our facility.
    - Inspected and approved by our quality assurance team.

- **Banking and Payment Processor Delays:**
  The exact timing for the funds to appear in your account may vary based on your:
  - Payment processor (e.g., Stripe, Apple Pay, Tabby).
  - Banking institution and their internal processing policies.
    Some banks or card issuers may take an additional **2 to 5 business days** to reflect the refund.

B. Refund Notification:

- Customers will receive an email notification confirming the completion of the refund process.
- The notification will include:
  - Refund amount.
  - Refund method (original payment method or store credit).
  - Expected time for the refund to reflect.

Important Notes:

- **Proof of Purchase Requirement:**
  - Refunds will not be processed for items returned without a valid proof of purchase (receipt or invoice).
  - If the purchase cannot be verified, the return may be rejected or result in store credit instead of a monetary refund.
- **Condition of Returned Items:**
  - Items must be in their original condition and packaging to qualify for a full refund.
  - Returns in poor condition or missing essential components may result in a partial refund reflecting the product's depreciated value.
- **Restocking Fees or Deductions:**

- In certain cases, restocking fees or shipping deductions may apply, particularly for:
    - High-value electronics.
    - Custom orders.
    - Items that show signs of use or damage.
- Customers will be notified of any deductions or partial refunds before the refund is finalized.

Partial Refund Policy:

- If only part of an order is returned, the refund will cover only the value of the returned items.
- Shipping fees and handling charges are non-refundable, unless the return is due to:
    - A defective or damaged item.
